

The financial year to June 2011 has been a year of activity for us on South Terrace. We welcome new accounting team members in Leanne Hall, Scott Hosking and Sarah Wu. Bonnie Stewart has joined our administration area and we welcome back Doris Smith to assist in the ASIC area.

In July we welcome Chris Frank who will be with us on a 3 month secondment from Kenway Mack Slusarchuk Stewart LLP, DFK member firm in Canada.

On the flip side we have farewelled Kayla who left to pursue a career in a different field, Kim who has moved on to a Managerial role and Glen who is lecturing in the Business School at Adelaide University.

A proud moment for the firm this year was to celebrate with Rita Gee at her wedding in October.

In May we also celebrated with Adele Whiting on the birth of son Jack Michael Whiting.

To add to the growing family is Rinika Kumar's announcement that she is pregnant and aiming to go on Maternity Leave in September.

An exciting development this year announced at our DFK Australasia conference in Darwin is that DFK firms around the country have entered a sponsorship arrangement with Ronald McDonald House. This will provide many opportunities to support a wonderfully deserving charity, financially and hands-on – we look forward to making it happen.

We are acutely aware of the Carbon Tax debate and are continuing to update our knowledge so we can be in a position to help clients. We are operating a knowledge base under the heading 'Building a Business Case for Sustainability'.

We believe it is the best response in the current climate of uncertainty.

Finally we would like to take the opportunity to thank you for your support and in complex times be assured that our team is focused on quality of product and service delivery.
